Great news on the October 1<sup>st</sup> Barbeque Dinner! The Council netted over \$2,300 from the event. Thanks again to all those Knights who helped make the dinner a success. I don't know how many careers Seth King wants to embark on in one lifetime, but he could add Pueblo's premier barbeque chef to the list.

Tootsie roll weekend is here for the weekend of October 15<sup>th</sup> & 16<sup>th</sup>. Don "The Donald" Lira, Sr. is heading up the fund raising drive this year. He could use our help at Sam's Club on Saturday the 15<sup>th</sup> and at all the weekend Masses. Just come to church prepared to help hand out Tootsie Rolls to parishioners after Mass.

Our next meeting is October 20<sup>th</sup>. It will be a social gathering starting at 6:30 P.M. Nothing special was scheduled; so, we'll meet at the St. Joseph's Room for talk and/or card playing.

This brings up a good point. We do need a little more fun in our social gatherings. After all, the Knights of Columbus is a fraternal order. This implies fraternizing with each other for the good of all. If any of you have some ideas for social gatherings or want to volunteer your home for a night (you would not have to provide refreshments), please feel free to talk with Dwight Scott about it or bring it up at one of the business meetings.
